Dear Parents,

My name is Chrissie Mitchell and I am the music teacher at St. Joseph’s and this year I have taken on the role of Defence Force Transition Aide. This role is also inclusive of our new families that are not Defence Force. My husband is in the Navy Band and was posted to HMAS Cerberus 8 years ago, where moved from Queensland with our two children.

I will be working with your child/ren this year to help them settle in and to understand our school. I can also help them keep in touch with family who may be a distance away and friends from old schools. I would appreciate your feedback so I can understand what you and your child/ren would benefit from and how I can help you all transition into our school community.

Thank you,

Chrissie Mitchell

Please return the below slip at your earliest convenience.

Child/ren’s name: ____________________

Ways that would help us and our child/ren transition easily into the St. Joseph’s community:
